Lien Resolution Specialist

Description

The Lien Resolution Specialist is responsible for handling all aspects of lien identification, verification, negotiation, and resolution across various payer types, including Medicare Parts A & B, Medicare Advantage Plans (MAP), Medicaid, ERISA, Tricare, and private health insurance. This role is critical to ensuring timely settlement disbursements by securing lien satisfaction and compliance with regulatory guidelines.

The ideal candidate is detail-oriented, highly organized, and capable of communicating effectively with payers, attorneys, and internal teams.

Responsibilities

Essential Duties and Responsibilities

- Demonstrate, model and expect adherence to the company's core values and mission.
- Perform duties in a manner compliant with company policies.
- Stay informed about changes in industry regulations and company procedures.
- Communicate clearly and professionally with internal and external stakeholders via phone, video conferencing, and email.
- Maintain confidentiality and handle sensitive information with discretion and in accordance with HIPAA regulations.
- Provide exceptional service to clients, members, and colleagues.
- Address and resolve issues and concerns promptly, escalating complex cases to the appropriate department or manager when necessary.
- Accurately document all interactions and transactions, ensuring that records are complete, up-to-date, and compliant with company and regulatory requirements.
- Work collaboratively with team members and other departments to achieve organizational goals.
- Contribute to a positive team environment.
- Seek opportunities for professional development and skill enhancement.
- Participate in training sessions and stay updated on industry trends and best practices.
- Prioritize tasks effectively to meet deadlines and organizational objectives.
- Identify issues and propose solutions proactively.
- Take initiative to improve processes and enhance service delivery.
- Adapt to changing priorities, projects, and work environments.
- Embrace new challenges and changes with a positive attitude.

Department Specific Responsibilities

- Review incoming lien referrals and initiate contact with applicable payers.
- Maintain accurate and timely notes, status updates, and documentation in
