Why use Medivest for Lien Resolution?

Medivest's attention to detail during the Lien Resolution process allows the attorney to focus on their core competencies in order to maximize the injured party's net settlement. Medivest's experienced team of nurses and case managers will investigate the injured person's medicals to confirm if items are injury related. This puts Medivest in a stronger position to negotiate with CMS on behalf of the injured person. The injured person will have a favorable resolution, his/her benefits will be protected, and Medivest will ensure the case was handled according to the Medicare Secondary Payer (MSP) statute. Let the experts help you today!

Factors That Would Warrant a Waiver or Compromise

Factors That May Warrant a Waiver

- Beneficiary has insufficient assets to repay Medicare
- Recovery would cause beneficiary financial hardship
- Beneficiary is without fault and pursuing recovery is contrary to the purposes of the Medicare Program

Factors That May Warrant a Compromise

- Age of beneficiary
- Physical or mental impairments of beneficiary
- Amount at issue is too small and/or probability of recovery is low
- Low net recovery to beneficiary
